A 216	200 × 150 × 125	12	75	7.000
A217	250 × 200 × 150	16	100	13.500
A218	300 × 225 × 200	20	120	22.500

These angle plates have clamping slots for easy mounting of work pieces for setting up jigs and fixtures on milling machines, drill presses, planing machines, radial drilling machines, grinding machines etc.

Manufactured from close grained cast iron, they are used for clamping and work holding in vertical position and as vertical reference for layout, machining and inspection.
